BLOCK 'C' CLUB DELIGHTS TIGERTOWN WITH ONE OF THE MOST ENJOYABLE HOPS OF YEAR

Large Number of Cadets Enjoy
Athletic Hop; Jungaleers
Orchestra Plays

Once again was there much rejoicing and merry making among the cadets Friday night, for the Athletic Ball was to go down in the annals of the dance as one of the best of the many successful hops held at Clemson. Far into the wee hours the night happy Tigers basked in the sunshine of the charming visitors, enhanced by lightsome fox-trots or exotic waltzes.

Much comment was heard from visitors concerning the unique and appropriate decorations. A huge block "C" was suspended from the ceiling that was symbolic of the hosts of the dance. The walls were artistically decorated with huge silhouettes outlined with purple and gold. The lighting effect was also of purple and gold.

The dance was formally begun by the grand march led by Cadet Jack Fewell and Miss Virginia Hill of Atlanta, Ga. An added feature of the ball was the one dance given entirely to the wearers of the block "C" and their beautiful partners. The dance was whooped up to a high degree of gaiety when the cors and confetti were distributed to the merry throng.

The Jungaleers Orchestra of Clemson is due much praise for the music that was rendered. Visitors to the hop declared that the orchestra ranked with the best collegiate orchestras of the state.

The officers of the Block "C" Club are Fred Leitzey, President, "Otey" Walker, Vice-President, and Jack Fewell, Secretary-Treasurer. (Continued on Page 4)

JUNIOR-SENIOR PROM DATED MAY 7 IS NEXT ON CALENDAR

Club Presidents Make Plans
For Dance; LaMotte's Or-
chestra Will Play

The next big event on the social calendar is the brilliant Junior-Senior Prom, which will begin promptly after the Junior-Senior banquet on the evening of May 7. It has been promised that the banquet will be over by 10 o'clock in order that the dance shall begin immediately afterwards.

Leroy Simpkins president of the Senior Dancing Club, and "Shorty" Russell, president of the Junior Dancing Club, are to be congratulated for obtaining LaMotte's Orchestra of Columbia for the occasion. LaMotte's Orchestra, a leading orchestra of the Carolinas, is well remembered for its high class rendition of dance music by those who attended the Junior Hop.

Gentlemen, other than the cadets and members of the faculty, must be in formal dress, must present an invitation and payment fee of five dollars at the door. Both Freshman and Sophomores will be allowed to attend the dance, but will not be allowed to have girls.

The list is now open in room 133 for the Juniors and Seniors to place the names of their girls.

—R. O. P.

SPLENDID RENDITION OF POPULAR CLASSICS GIVEN BY ORCHESTRA

Clemson's Concert Orchestra
Entertains Audience With
Enjoyable Program

At the scheduled time on Friday evening the Clemson College Concert Orchestra presented one of the most enjoyable and worthwhile programs that has been given at Clemson this year. The program was everything that members of the orchestra had said it would be. Due to the fact that the Athletic Ball was to open at nine, the orchestra's program was shortened slightly.

The first strains that greeted the very responsive audience were those of "Martha Overture." This is the overture that is used as an introduction to the opera "Martha" and the boys rendered it in splendid style. A soothing lullaby entitled (Continued on Page 2)

UNITING OF CLEMSON AND WINTHROP MEETS JOHNSON'S APPROVAL

Dr. Johnson, in Sanctioning
Consolidation, Accepts Po-
sition of Commandant

It was learned here recently that Dr. D. B. Johnson of Winthrop College had not seen an "April Fool" number of The Tiger. Mr. J. B. Caughman, former business manager of The Tiger, immediately sent Dr. Johnson a copy of the "April Fool" issue with a request for his view of the proposed consolidation of Winthrop and Clemson. His answer is as follows:

April 13, 1926
Mr. J. B. Caughman,
Clemson College, S. C.

Dear Mr. Caughman:
Your letter of the 10th and the accompanying copy of the "April Fool Number" of The Tiger have been received. I thank you very much for both.

I have no doubt but that the student body of both Clemson and Winthrop would vote unanimously and enthusiastically for the consolidation of the two institutions as proposed by "The Tiger." I would not envy Dr. Sikes the Presidency of the consolidation. The office of Commandant of Cadets in the consolidation would more than meet all of my ambitions. I am somewhat hazy as to the duties of Lt. Col. Otis R. O'Cle as Dean of Women; I have no doubt, however, but that he would measure up to requirements. It is always helpful to be allowed to dream dreams whether they come true or not. I have thoroughly enjoyed your paper.

With kind regards and best wishes,

Very truly yours,
D. B. Johnson,
President.

DELIGHTFUL COMEDY GIVEN BY ANDERSON COLLEGE JUNIORS

A musical comedy, "Knight of Dreams" or "A Modern Pygmalion and Galatea" was presented for the approval of the "Tigers" last Thursday evening by the Junior Class of Anderson College. A majority of the cadets, and a number of the other inhabitants of the campus witnessed the performance which was sponsored by the Clemson College Glee Club. Twenty-four charming young ladies took part in the comedy, and the humorous presentation was enjoyed by every member of the audience which practically filled the college auditorium.

Miss Roberta Crawford, Miss Gertrude Sowell, Miss Hattie Fay, Miss Eleanor Cathcart, Miss Daisy Rowland, Miss Lucile Lee, and Miss Sue Hendrix played the leading roles. All of these young ladies are good actresses, and last Thursday night they not only confirmed this fact, but also added to their list of admirers the names of a large number of Clemson cadets.

Miss Hattie Fay, who theoretically played the part of a young sculptor, but in reality acted the part of a young Romeo, gave the "Tigers" some good points on love-making. Miss Fay's songs were very good too. She sang as well as she made love.

Another actress deserving a great deal of praise is Miss Eleanor Cathcart, who played the part of an artist. Miss Cathcart played her part unusually well. Miss Roberta Crawford and Miss Gertrude Sowell also deserve much praise for the manner in which they carried out their parts.

The acting of Miss Daisy Rowland who played the part of a negro janitor, was one of the features of the comedy. Miss Rowland sang, clog-danced, and acted in true negro style, and her performances received much applause.

Miss Lucile Lee's and Miss Sue Hendrix's impersonations of Cy Perkins, a farmer, and Hat Perkins, his wife, were among the best impersonations ever seen in Tigertown. Their parts were very humorous, and their acting was flawless.

The chorus girls and men were very attractive too, and they deserve much of the credit for the success of the performance. The chorus could not have been perfect without Miss Alice Linder, Miss Louise Burris, and Miss Roxie Murdock taking leading parts in it.

Miss Linder and Miss Burris gave an exhibition dance which attracted so much attention, and merited so much praise that these young ladies have been asked to move to "Tigertown" and open a dancing school. It is not known yet whether they will accept this offer or not, but if they do they will undoubtedly meet with great success.

After the performance was over, and the girls had gone back to Anderson, all the barracks were filled with discussions of the comedy, and the girls who took part in it. Of course the first question discussed was "Who was the best-looking?" There was much difference of opinion on this question, and it was never satisfactorily settled. But everyone seemed to agree that all the girls were exceptionally good actresses, and that the entertainment was very enjoyable.

TIGER TRACK TEAM VICTORIOUS OVER TECH AND DAVIDSON IN TRIANGULAR MEET HERE

LEFTY SMITH RETURNS TO TIGER MOUND TO BLANK DAVIDSON 9-0

Star Lefthander Holds Wild-
cats to Three Hits—McGill
Gets Homer

Lefty Smith, star Tiger portsider who has been injured the whole season, returned last Thursday and whitewashed Davidson 9-0. Though he was still lame, his injury did not keep him from pitching the prettiest ball seen here in many a day. Lefty threatened to repeat his performance of two years ago, at which time he defeated Carolina by pitching the only no hit no run game ever pitched here. Thursday he allowed only three hits, two of which were made in the ninth inning. Eleven Wildcats almost broke their backs striking at his hooks, and each not only found that he had missed the ball, but also that he had given Lefty another strikeout.

Smith received one hundred percent support from his teammates. Every man played his position in excellent style and their wonderful stick work was especially commendable. "Mose" Moore, brilliant Tiger centerfielder, was the star of the game. He garnered three pretty bingles and made several sensational catches in centerfield. He also showed rare speed on the bases when he stole home while the pitcher was winding up. McGill, Hedges and Smith also performed nobly with the stick. Each secured two hits.

(Continued on Page 2)

ENGINEERS VISIT TALLULAH FALLS ON INSPECTION TOUR

Saturday, thirty or more electrical juniors and seniors together with several professors of the engineering department made a visit to the Georgia Power and Light Company development in north Georgia.

Two plants were visited, Tugaloo and Tallulah. Although the original plan called for a visit to three plants, a late start gave time to inspect only two plants.

Tugaloo was the first stop. Here the head of water is one hundred and forty feet, with a flow of 150 cubic feet. Four generators develop eighteen thousand horse power each. At Tallulah the head is 600 feet with a flow of 2000 cubic feet per second. The water is led to the plant through six penstocks, which in some places are tunnelled through a mountain. At Tallulah there are six generators with a capacity of eighteen thousand horse power each. The plant at Tallulah Falls is reached by an inclined railway, which goes down the side of a mountain, the average incline being about thirty degrees.

After the visit to Tallulah Falls the party broke up; some of the boys camped at Tallulah Falls Saturday night, while a few remained in Toccoa for a dance.

Ross O'Dell and Carter Newman are High Point Scorers
for Clemson

The Tiger tracksters concluded a successful week in athletics for Clemson last Saturday when they won a triangular meet over Georgia Tech and Davidson. The scores were: Clemson, 57 1-3, Georgia Tech, 43 1-3, Davidson, 25 1-3.

Goodykoontz of Davidson was the high scorer of the day with 13 points to his credit. He won first in the 100 and 220 yard dashes, and finished second in the 440. O'Dell and Newman were the high scorers for the Tigers with 10 1-3 and 10 points respectively.

The prettiest race of the meet was the mile run which Newman won after coming from behind to a spectacular finish. He had previously won the half mile in good time, and it was surprising to see him come through with such a burst of speed on the mile. It was the most thrilling race seen on Rigg's field in recent years.

Ross O'Dell again displayed his ability as a pole vaulter and broad-jumper when he finished first in both of these events. He cleared the bar at 12 feet in the polevault and leaped over 21 feet in the broad jump. He did not cinch the broad until his last jump when he went his maximum distance.

The summary of the meet is as follows:

100 yard dash: Goodykoontz (Davidson), Mitchell (Clemson), Turner (Clemson), 10 1-5 seconds.

220 yard dash: Goodykoontz (Davidson), Schwalb (Georgia Tech), Smith (Davidson), 22 seconds.

440 yard dash: Roy (Clemson), Goodykoontz (Davidson), Smith (Davidson), 51 4-5 seconds.

Half mile run: Newman (Clemson), Jamieson (Georgia Tech), West (Georgia Tech), 2 minutes, 33 4-5 seconds.

Mile run: Newman (Clemson), Roberts (Georgia Tech), Wright (Georgia Tech), 4 minutes, 52 seconds.

Two mile run: Fickett (Georgia Tech), Roberts (Georgia Tech), Penn (Davidson), 10 minutes, 36 2-5 seconds.

120 yard high hurdles: Blakeney (Clemson), Roberts (Georgia Tech), Simms (Davidson), 16 1-5 seconds.

220 yard low hurdles: Marchbanks (Clemson), Blakeney (Clemson), Sprick (Georgia Tech), 27 seconds.

Pole vault: O'Dell (Clemson), Conley (Georgia Tech), Jennings (Davidson) and Cullum (Clemson) tied for second and third. 12 feet.

High jump: Calhoun (Davidson), Perkins (Georgia Tech), Brock and O'Dell (Clemson), 5 feet, 9 inches.

Discus throw: Hood (Georgia Tech), Ivy (Georgia Tech), Bohannon (Davidson), 119 feet.

Broad jump: O'Dell (Clemson), Jones (Georgia Tech), Midkiff (Clemson), 21 feet, 1 inch.

Javelin throw: DuPree (Clemson), Beason (Clemson), Bohannon (Davidson), 148 feet, 8 inches.

Shot put: Hood (Georgia Tech), Finklea (Clemson) Roy (Clemson), 40 feet 3 1-4 inches.

EDITORIAL

Seven ball games, a track meet, and a tennis match,—that is the extent of Clemson's victories last week. That surely looks like quite a comeback near the close of rather a dull season. These victories more than wipe out defeats, and fill the teams with renewed enthusiasm for a whirlwind finish. Let's have the rest of them.

Welcome back to the mound, "Lefty". Tigertown has been waiting for your return, and congratulates you on those complete victories over Davidson and Wofford.

Recently a number of members of the Junior Class, at the request of the President, met in his office to discuss Clemson's future. The new system of grading and the keeping of student's records were explained and discussed, and then Dr. Sykes called for suggestions from the rising seniors as to improvements that would better Clemson. The Clemson Cadet is a queer animal. Apparently he is not given much to concentrated thinking, and then only in rare cases. As judged from the turn that the meeting took, it would seem that next to eating and sleeping, athletics is uppermost in his mind. When asked their opinions of the way in which Clemson might be brought to a higher position among the colleges and universities of the South, two-thirds of the cadets present said that bigger and better athletic teams would put the college on the map shortly. We agree with them and commend them on wishing to see Clemson advance in athletics, but for Clemson to become one of the foremost institutions of its kind in the country, something more than athletics must put her there. Is it scholarship, is it social activity, is it military distinction, is it tradition,—this intangible something that is to put Clemson on a pedestal before the eyes of the world? Not any one of alone will do it, but all combined. Traditions come only with age. Clemson is yet young and her traditions are few. Strive for the others and from your efforts traditions will mould themselves. You are on trial, Class of '27. What is to be your goal for your Alma Mater? What will be your legacy to future sons of Clemson?

GREENVILLE CITY CLUB BANQUETS

A feed fit for old Baccus himself was enjoyed by the members of the Greenville City Club last Tuesday evening. This is one of the semi-annual banquets of the club, the first was held last semes-

ter. The guests of honor were Dr. Sikes, "Uncle" Johnny Holmes, secretary of Greenville Y. M. C. A., and Mr. Eskew. Very interesting and instructive talks were made by these men.

Ern Carpenter, Greenville's "Tragedian of Ballad", rendered several selections on his guitar. —M. M. C.

CONCERT ORCHESTRA RENDERS SPLENDID PROGRAM

(Continued from First Page)
"Berceuse" followed the overture. Then the string quartet composed of Messieurs Carpenter, Zagora, Murphy and Freeman rendered three excellent numbers. The last number was "Old Black Joe" which was especially arranged for string quartet work by Alfred Pochon, a member of the Flonzaley Quartet.

Introduction to Faust was the next orchestra number, then Otto Zagora, who has pleased Clemson audiences for four years, rendered "Romance" by Svendsen in his usual appealing style. Two lighter numbers followed this violin solo, then the flood of melody, rhythm, and harmony that attends the playing of the "Marche Militaire Francaise," in a grand burst of remarkable ensemble performance, ended the evening's entertainment.

Contrary to the belief of many cadets, the orchestra played real music and not exaggerated classical numbers that "go over our heads". No better melody and harmony could be desired of any orchestra. It is true that the orchestra does not play jazz, but they do play music that people—our people—loved before jazz made its debut, and the kind of music that people will love when jazz has faded from the limelight of its almost universal popularity. We do not have to cultivate a taste for this music. All we need is to find out what it is about, and the natural love for music that is inborn in mankind will do the rest. Here's wishing the orchestra success.

LEFTY SMITH RETURNS TO BLANK DAVIDSON

(Continued from First Page)
The feature of the game was a long home run knocked by Captain McGill in the seventh inning. Captain Mac put his shoulders behind a swing that met the ball squarely, and lost it under the grandstand in deep centerfield.

The Tigers started the game off with a rush. Two runs were made in the first frame. Hudgens got a single, Moore hit sacrifice but the third baseman threw wild to first, and Hudgens went to third. Hudgens scored on Martins' sacrifice fly. Milling scored Moore with fielders choice. Dunlap and Eskew were out on flies. Clemson continued this destructive work throughout the entire game, knocking Laird out in the seventh inning. He was replaced by Huie who fared little better.

Only once did the Wildcats threaten to score. This was in the fifth inning when Laird got on by a wild throw to first. Dulin struck out and Kugler and Glenn walked. This loaded the bases with one out. But Lefty handled the situation like a veteran and easily struck out the next two batters. This was the most sensational event of the game.

The Tiger team is playing "mighty cruel" baseball these days and Lefty Smith's return to duty on the pitching staff will help the team tremendously. So boys lets all get the old pep and win the rest of those ball games. Lets get mean.

Varsity Returns Severe Drubbing to Terriers 12 to 0

"Lefty" Smith Unmercifully Blanks Wofford Ball Team; Tigers Hit at Will

A wounded Tiger is dangerous, or such seemed to be the case Monday, when Lefty Smith limped out to the mound and baffled the Wofford Terriers for nine innings, defeated them 12-0. Smith blanked the Terriers just as he did the Davidson Wildcats here last week. He kept the pep up while his teammates piled up twelve scores. The Terriers were always at Lefty's mercy, getting only five well scattered hits. Ten men were struck out by the Tiger Ace.

The Tigers got mean in the second frame and lambasted Thackston, Terriers twirler, for four hits which netted five runs. They continued to wallop him until the fifth inning, when he retired in favor of Hable, who was also hit at will by Clemson.

"Bud" Eskew and "Mose" were the hitting stars of the fray. They were pushed close for second by Abbott and McGill. The Tigers netted fourteen hits in eight innings. The features of the game from the hitting point of view were home runs slamed by Moore and Eskew. Moore's clot was to deep left field in the fourth inning, while Eskew socked the pill to center field in the very next frame.

The Tiger team seems to have wonderful confidence in Lefty. Monday they played air tight ball behind him at all times, making no bobbles. Dunlap made two sensational stops at short in the seventh when he snagged two would be hits and easily threw his men out at first.

Four big ones in a row, is the way the story goes as the Tigers continue to slug the offerings of every pitcher that faces them. The boys seem to have the desire to

both lose the pill and knock its cover off at the same time, and for these last four games they have come pretty close to doing it. Lets keep up the good work Tigers.

Their schedule to and from Porto Rico included debates with twenty-four universities and colleges on twenty-four different subjects.

When They Go On Grass? — What Then?

Grass Alone Won't Make Milk

Very soon your cows will go to fresh pasture. They like it and it stimulates them. It is good as far it goes, but they cannot eat enough to maintain their condition and their full flow of milk on grass alone.

In 100 pounds of average pasture grass there is 3.7 pounds of digestible protein, but only 15.9 pounds of total digestible feed. That is not enough. Your cows would have to eat 170 to 190 pounds of grass a day. They cannot graze or hold 100 pounds.

The Voice of Authority

By Prof. W. J. Fraser, Illinois Experiment Station: "It would require 30 acres of pasture to support an ordinary cow. To graze this area she would have to travel 30 miles a day and have a muzzle two feet wide."

By Prof. Hooper, Kentucky Experiment Station: "I clipped 100 pounds of bluegrass and it filled three gunny sacks." A cow cannot hold this much grass.

Your cows will go right on making milk, but they will not make it all out of grass. They will draw protein, fat and mineral matter from their own bodies to fill the milk pail. They will get poor, exhaust themselves, become unprofitable and go dry weeks or months before they should.

Give your cows a balanced grain mixture with their grass. Feed three to eight pounds daily per cow according to yield. Grass is laxative, therefore you should avoid laxative concentrates. The following ration is one of the best you can feed:

Corn Gluten Feed 300 pounds; ground corn 300 pounds; ground oats 200 pounds; wheat bran 200 pounds. Start this ration when cows go to pasture and they will go through the summer and into the fall—in fine condition and full production.

This Valuable Book Free

"The Gospel of Good Feeding" is a brand new book of 64 pages. It gives you the newest ideas on feeding. It will help you to make more money—day in and day out—summer and winter. It contains 28 rations for dairy cows, steers, hogs, sheep and poultry.

CAMPUS NOTES

Mrs. O. R. Cole entertained the Wednesday Morning Bridge Club.

Mrs. Eaton entertained Monday night with three tables of Bridge. The Thursday Morning Bridge Club met at Mrs. Musser's.

Mrs. Hoke Sloan has as her visitor, Mrs. Andrewes of Opekla, Alabama.

Among the campus people who went to Atlanta to hear Miss Talley sing in Grand Opera were: Mrs. Fitzpatrick, Mr. and Mrs. Eddy and Mr. Bryan and son, Wright Bryan.

Mr. Sam Earle was the host at a delightful dinner party Saturday evening in honor of the graduating class of the high school.

The John C. Calhoun Chapter of the U. D. C. met with Mrs. McCullum Monday evening. Enjoyable refreshments were served during the course of the meeting. Mrs. Patrick, president, presided over the meeting.

Mrs. V. H. Johnstone has as her guest Miss Pocher of Charleston.

A delightful evening dance was enjoyed by cadets and campus people in the big gym Saturday from eight to ten thirty.

TEXTILE SOCIETY TO HEAR HUMBERT SPEAK

Mr. J. B. Humbert Manager of the Seneca Company will make an address to the Textile Society, Tuesday night May 4.

Mr. Humbert is a very successful man of years experience and his talk will be interesting as well as instructive.

The attendance at the meetings of the society has been very poor; this fact is to be deplored as it is much trouble to secure a speaker, and the poor attendance places the Program Committee in an embarrassing position.

Let's all turn out Textiles, and make these last meetings count.

CADETS ARE GUESTS AT KIWANIS BANQUET

The Kawanis Club of Anderson, at its regular meeting last Thursday night, had as two of its guests W. W. Bryan, retiring editor, and J. B. Caughman, retiring business manager, of The Tiger. In inviting these Clemson students to be their guests, the Anderson Kiwanians continued their policy of having a few Clemson cadets at each meeting.

This Kiwanis gathering was held at the John C. Calhoun Hotel, and a delicious supper was served. Singing by the whole gathering and also a number of solos enlivened the occasion, and there were a number of short talks. The principal speaker was Mr. D. W. Watkins, of Clemson, assistant director of the Extension Service, who gave an illustrated lecture on the cotton situation in Texas and other southwestern states as it affects South Carolina.

COMPANIES L AND M HOLD BANQUET IN MESS HALL

The future sophomores of L and M companies treated their old boys to a feed last Wednesday evening; the purpose being to promote companionship among themselves during the home stretch of this year. The feed was enjoyed to such an extent, that the boys were in favor of electing Captain Harcombe Secretary of Interior.

Extemporaneous talks were made by Lt. Johnson, Major Salley, Lt. Col. Douglas and several members of the companies.
—M. M. C.

The Lampoon, humorous magazine of Harvard University, celebrated its fiftieth anniversary on February thirteenth. This makes it the oldest humorous publication in the United States. Life magazine was started by Harvard graduates who had worked on the Lampoon.
—New Student.

Because the students at the University of Oklahoma were forbidden to bring cars on the college campus one enterprising student rode to school in an aeroplane. Wonder if such a thing will happen up here?

Smith; Miss Eloise McCue of Campus with "Woots" Klugh; Miss Elizabeth Stoney of Allendale with Cadet L. M. Hewlett; Miss Virginia Zeigler of Allendale with Cadet C. A. Bryan; Miss Mary Conyers of Converse with Cadet Bob Pickens; Miss Nadine Walker of Columbia with Cadet T. L. Brandley; Miss Myrtle Walker of Columbia with Cadet Bill Dive; Miss Ruth Turner of Converse with Cadet V. C. Sanders; Miss Jane Wilkins of Atlanta with Cadet J. M. Pruitt; Miss Margaret Barr of Greenville with Cadet M. L. Parler; Miss Beth Harcombe of New York with Cadet John C. Evans; Miss Alma West of Asheville with Cadet W. R. Roy; Miss Freddy Buyck of Hartsville with Cadet Fred Leitzsey; Miss Margaret Arnold of Anderson with Cadet Bob Midkiff; Miss Jo Dennette of Anderson with Cadet H. A. Cox; Miss Lulu Prevost of Columbia with Cadet Harold Johnson; Miss "Dot" Ellis of Converse with Cadet "Shimmy" Allison; Miss Isabel Buckley of Seneca with Cadet Carter Newman; Miss Linnie Cantrell of Pickens with Cadet S. M. Cox; Miss Louise Jamison of Spartanburg with Cadet Tom Kitchen; Miss Helen Commander of Columbia with Cadet Bob Cunningham; Miss Elsie Whitelaw of Athens, Georgia with Cadet T. H. Smith; Miss Isabelle Smith of Converse with Cadet H. R. Thomas; Miss Ruth Willis of Converse with Cadet H. E. Keenan; Miss Ernestine Walker of Anderson with Cadet L. C. Sykes; Miss Sarah Murphy of Anderson with L. E. Myers, Jr.

On Wednesday afternoon they visited the Gluck Mills, Equinox Mills and Orr Mills in Anderson where they inspected the manufacture of duck drills, and print goods. The party returns to Clemson tonight.

TRACK TEAM ENTERS ANNUAL STATE MEET AT P. C. SATURDAY

The annual state track meet will be held at Presbyterian College, next Sunday afternoon. All the state colleges will be represented there. Clemson as usual will send her entire team. The Tigers had very little difficulty in winning first place last spring, but there will be a much keener race for that honor this year because Furman and P. C. have developed wonderful track teams since the last meet.

The track at Clinton is considered to be the best in the south. It is a new track and is in excellent condition. Some new records should be set again this time as there were last spring.

The Tiger tracksters will leave Friday for Clinton with the determination to bring back a title.

—R. H. M.—

CLUBS AND SOCIETIES

The Chemistry-Science Club held its regular meeting on Wednesday evening, April 21. Professor Aull, of the Department of Bacteriology, made a very interesting and instructive talk on "The Bacteriology of The Aesptic Tank". Professor Aull told not only how the tank works, but also how it may be made. J. B. Hester made a very good talk on "Hafnium". He gave many facts about this comparatively new element. Instead of getting his data from one source, he had consulted numerous magazines and books. This, of course, greatly added to its value and attractiveness.

Professor Lippincott told about some of the chemical laboratories he visited last summer in Europe. He also gave an illustrated lecture on "The Spectroscope and Its Uses." E. F. Simms closed the program with a talk on "Pasteur." Cadet Simms made a very good talk, for which Dr. Brackett commended him.

The society will meet again on Wednesday evening, May 5. All members should attend this next meeting as officers for next year will be elected.

—F. W. K.—

The Palmetto Literary Society met on April 20. The program was enjoyed by all. The query for debate was—Resolved: that the Volstead Act should be repealed. The affirmative was upheld by W. C. Maxwell and C. G. Latham, the negative by T. H. Skinner and J. B. Hester. The affirmative won by a close margin.

The orator for the evening was N. C. Cromer. J. C. Garrison and E. S. Sutherland, the two declaimers, delivered their pieces in fine style. The jokes, rendered by C. L. Parnell were unusually good.

Every member is urged to attend these last few meetings and help the society to finish the year with renewed zeal.

—N. C. C.—

Professor Samuel J. Holmes of the department of zoology of California, made the statement that although modern scientists may prolong life college students may expect to live no longer than their forefathers because of their unhealthy habits.

Harold, famous comedian, has offered a prize to architects of the University of Southern California for the best design for a pool and garden in his proposed \$1,200,000 estate. His gift will be in the nature of a rare book.

TEXTILE STUDENTS ON INSPECTION TOUR

The Faculty of the Textile Department, the senior classes in Textile Engineering and Industrial Education, together with the Special Textile students left Monday for a three-day trip to visit several large manufacturing plants in nearby cities. The object of the trip was to witness the actual manufacture of different fabrics from silk and Rayon to heavy duck.

They visited the Victor-Monaghan plant at Greenville Monday and saw the Sasa Biacna process of yarn preparation which has attracted so much attention recently. The Judson Mills in Greenville was also visited.

Tuesday, the party left Greenville for Spartanburg where they inspected the plant of the Spartanburg Manufacturing Company. The plant of the Ware Shoals Manufacturing Co., at Ware Shoals was visited Wednesday. This mill was of especial interest because of the fact that it both bleaches and prints its goods.

AD CONTEST COMMITTEE, PALM BEACH MILLS, GOODALL WORSTED COMPANY, SANFORD, MAINE.

BOARD OF VISITORS TO INSPECT COLLEGE

The board of visitors for 1926 has been announced by the board of trustees. They were elected on April 16, and are expected to make an inspection on May 4 and 5th. The board is composed of the following:

1st District—W. B. Gruber, Wal-terboro
2nd District—M. T. Holley, Aiken
3rd District—J. W. Gaines, Green-wood
4th District—J. C. Evans, Spartanburg
5th District—J. A. Spruill Che-raw
6th District—Fred Young, Ebe-nezer
7th District—S. H. Edmunds, Sumter

These men are prominent and influential citizens in their districts, and their opinions of Clemson will, to a certain extent, be the opinions of the State. They will make a thorough inspection of all departments of the college.

The following program has been suggested for the inspection:

First day May 4, 1926
1:20 P. M.—Dinner — Trustee House
2:15—3:15 P. M.—Inspection of Engineering Department
3:15—3:30 P. M.—Visit to Swine Barn
3:30—4:00 P. M.—Visit to Dairy Barn
4:00—4:30 P. M.—Ride over College Farm
4:30—4:45 P. M.—Inspection of Filter and Plumbing Plant
4:45—5:10 P. M.—Ride over Experiment Grounds and by Veterinary Hospital
5:10—5:25 P. M.—Visit to Athletic Field
5:25—5:45 P. M.—Visit to Y. M. C. A. Building
5:45—6:00 P. M.—Visit to Central Power Plant
6:00—Cadet Retreat
6:00—8:00 P. M.—Illustrated Lecture Explaining Financial and Accounting Systems—Presidents of-

fice

8:00—P. M.—Supper
Second day—May 5th, 1926
8:30—9:00—A. M.—Chapel Ser-vices—Memorial Hall
9:00—9:15—A. M.—Visit to Commandant's Office
9:15—9:45 A. M.—Inspection of Agricultural Dept., Dairy, etc.
11:00—12:00 M.—Visit to Ex-tension Director's Office
12:00—12:45 P. M.—Drill and Review of Cadet Corps
12:45—1:10 P. M.—Inspection of Barracks and Kitchen
1:10—1:45 P. M.—Dinner with Cadets in Mess Hall
2:00—2:15 P. M.—Inspection of Cadet Hospital
2:15—3:15 P. M.—Inspection of Textile Department
3:15—3:45 P. M.—Inspection of Chemistry Department, Fertilizer Analysis, etc.

FRESHMEN DEFEAT N. GA. AGGIES 4 TO 3 IN TWELVE INNINGS

Dean Pearman won another pitcher's battle when he defeated the North Georgia Aggies 4-3 here last Tuesday. The Cubs made a clean sweep of the series by winning all four of the games from the Aggies. This was also Pearman's fourth victory in the box this season. Fred Pearman scored Williams with a triple for the winning run in the twelfth inning. The hit was one of those pretty line drives that follow just inside the third base foul line.

The Freshmen were the first to draw blood. They held a three to one lead over the Aggies until the ninth inning, when the Aggies scored two runs thus knotting the count. For two innings neither team scored. Then Quincy Moorer took out his rabbit foot. All of the batters up kissed the rabbit foot and a minute or two later the game was won for Clemson.

Dean Pearman pitched his usual brand of ball. He was not forced to extend himself until the extra

innings, when he easily retired the opposing batters until the game was won. Coleman and Moorer were the stellar hitters for the Cubs. Each secured three bingles out of four trips to the plate. The Pearman brothers also did good work with the stick.

SPORTS STATE MEET AT CLINTON SATURDAY SPORTS

THRU THE FIELD GLASSES

BY R. H. MITCHELL

One thousand percent was the average of the baseball and track teams last week. Seven base ball games and one triangular track meet, plus one tennis match was the grand total that was completed Saturday. That's the spirit in which to terminate the year, Tigers. Keep up the good work.

The invigorating spring weather is making the Clemson Tiger rise in his lair. His roar resounded far into the hills of both Carolinas and swept over the plans of Georgia as he snatched spoils of victories from invaders from these states.

A baseball game and a track meet were the punishment imposed upon Davidson by the Tigers. Georgia Tech suffered the loss of a track meet, and N. C. State and Citadel were given the small ends of base ball games. P. C. was given her share of the chastisement by being made to undergo defeat at the hands of the Clemson netmen.

The Young Tigers, better known as the Cubs, or Whelps, contributed their share of honor to Clemson by winning four base ball contests. They have their first defeat to meet. Woe be unto the opponent who crosses their path for they are going at top speed and will be hard to stop.

The most remarkable thing that has happened recently is the improvement that the varsity baseball team has made. Starting the season as if doomed to have a bad season, the Tigers underwent a change and became a winning team. Just as proof of their wonderful improvement, take the Wofford games: the Tigers were beaten 6 to 5 at the beginning of the season, and on Monday they handed the Terriers a severe drubbing in return to the tune of 12 to 0. What is this? A comeback? They have only three more games on their schedule before the season's curtain will be lowered. Let's get those games, Tigers.

--We have another Babe Ruth at Clemson in Bud Eskew. He has been pounding them out of the lot just like the real bambino. "Floopy" Dunlap has also been stretching his hits a great deal this spring. He swatted one in the N. C. State game that was elongated quite a bit.

Carter Newman's spectacular finish in the mile race last week is deserving of much recognition. Roy, although handicapped by a bad start in the 440 yard race, finished ahead of his man in a thrilling run.

The tennis team won their first match of the season last Friday when they defeated the P. C. outfit. Since they have broken the ice, the going should be easy now, and Clemson is looking for them to finish the year right.

NETMEN DEFEAT P. C. FRIDAY BUT LOSE TO CAROLINA SATURDAY

The Tiger netmen defeated the P. C. players last Friday in Clinton and then journeyed over to Carolina and lost to the Gamecocks. In the contest with the Bluestockings, Clemson took both doubles and split the singles. Carolina won five of the six matches from the Tigers.

The procedure of the P. C. meet was as follows:

Kirkley of P. C. beat Marvin 2-6, 6-3 and 6-4 in the first singles. Heller of Clemson came back and beat Adams of P. C. Rafter again put P. C. in the lead when he bested Mundy 6-3 and 8-6. Clotfelter of P. C. lost the fourth singles to Wiley by a 7-5 and 6-2 count.

In the doubles Heller and Marvin bested Kirkley and Adams of P. C.

6-2, 8-10 and 6-0. The Clemson team also took the other doubles when Murdy and Wiley beat Clotfelter and Hafner 6-3, and 6-4.

In the Carolina meet Wilson of the Gamecocks won from Heller of Clemson 6-3, 6-8, 6-1.

Clemson cooped the second match of singles when Marvin defeated Clemson, 6-0, 5-7, 6-4. The high wind that was blowing during the match caused a lot of trouble to the players and on several occasions blew so hard that it was difficult to place a ball in the court.

Fair of Carolina won easily over Mundy 6-1, 6-2 and Beattie of Carolina beat Wylie of Clemson by a brilliant comeback, the score being 6-3, 2-6, 6-4.

Wilson and Beattie had no great trouble in winning from Heller and Marvin, 6-3, 6-2; but Coleman and Fair found stiffer opposition from Mundy and Wylie and won out only after two hard sets—the last to a deuce—many of the games being see-saw affairs. The final score was 6-3, 7-5.

—R. H. M.

Varsity Ball Team TROUNCES TAR HEELS IN SLUGFEST 11 TO 5

Dunlap Gets Homer in Eighth; Eckew Gets Three Triples Out of Four Tries.

Hard hitting and fast fielding reined supreme in the game with N. C. State last Wednesday on Riggs' field. The Tigers bettered the Tarheels in these two phases of the game and consequently won the contest 11 to 5. Clemson took the lead in the second and was never in danger of being scored on thereafter. They held their own until the fourth inning when they let up a little and allowed the Tarheels to make three runs.

Long pitched good ball during the entire game, giving up only six hits. The Tigers fielded well with the exception of three wild throws which they made at different parts of the game.

The most sensational feature of the game were the two beautiful catches that Moore, the Tiger Center fielder made. In the ninth inning, Austin, the Tarheel third baseman, cracked out a swift liner that was labeled a home run, but Mose ran back and made a phenomenal catch that ended the game.

Dunlap's homer in the eighth frame was a bright spot on the Tiger offense. Bud Eskew obtained two triples in four trips to the plate. Abbot knocked one long, three-base hit out of a quartette of tries.

FRESHMEN INVADE PIEDMONT TO WIN TWO GAME SERIES

Cubs Take Second Game of Series 5 to 3 in Twelve Hectic Innings

While our varsity baseball and track teams were running wild here last week, the Cubs were winning their seventh and eighth consecutive games of the season. They took a little trip down to Demorest Georgia last Thursday and there defeated Piedmont College in two games. The Thursdays' game was won 2-1 while the contest on Friday ended 5-3.

FIRST GAME

Thursday Hoot Gibson performed on the mound in great style. He and Gill, who was pitching for Piedmont, had an old time pitching duel. Although the Freshmen failed to get as many smacks as the Georgians, they hit well in the pinches. Hoot kept his opponents' hits well scattered at all times.

Wood, Moorer, and Dean Pearman did the best work with the stick for the Cubs. The game was not won until the ninth inning when Dean Pearman smacked a

double, went to third when F. Pearman hit to pitcher and scored on the catchers error. This was the manner in which the Frosh won their seventh straight. Wood, playing left field for the Cubs, secured two pretty hits out of four times up, one of which was responsible for the Freshmen's first run.

Score by innings:
Clemson 000 000 001—2
Piedmont 000 000 010—1

SECOND GAME

Coach Gillam has found a new southpaw pitcher in Sexton, Cub centerfielder. Last Friday after three runs had been made by Piedmont in the first inning, Coach decided to try out Sexton. He went in and for the remaining eight innings held the hard hitting Georgians scoreless. Sexton fanned eight Piedmont men and allowed only three scattered hits.

Coleman and Williams slightly excelled their teammates in hitting. Each got three gingles. Tatum socked the apple for a three bagger in the sixth. It would have been a circuit drive for any other man on the team, but Big John couldn't quite make it. All the Cubs hit will, getting a total of 14 hits.

Piedmont will come over here for two games with the Cubs this week. The Freshmen say they're going to get both games and send them home just like they did the North Georgia Aggies.

TIGERS END SEASON WITH THREE GAMES AT HOME NEXT WEEK

After that scrap with P. C. this afternoon there are only three more games booked for the varsity, all of which are to be played here. Two of these—the ones to be played Monday and Tuesday—are return games with Newberry and Erskine. The third and last game is with Duke University on Riggs Field Friday, May 7.

TIGER BALL CLUB DEFEATS CITADEL BULLDOGS 8 TO 3

Timely Hits and Numerous Breaks Account for Tigers' Victory

Continuing the timely hitting that has characterized their last three games, and taking advantage of numerous Citadel errors, the Tigers of Clemson made a record of three straight victories in the same number of starts during the past week, using the Citadel Bulldogs from the City-by-the-sea as the target for their battle on Friday, scoring eight tallies while the Blue and White tossers were able to account for only three.

"Bud" Eskew, who has recently shown Tigertown that he is a real first baseman, continued his hitting spree by slamming out a home run and a single out of two trips to the plate. Captain McGill also hit well, gathering a triple and a single from the delivery of DesChamps.

The Tigers started off well, scoring two runs in the initial inning, and continuing to increase their lead as the innings passed. After Hudgens had fanned to open the game for the Tigers, Moore was safe on an error by Douglass. Martin followed with a long single to right field, and when Sessions threw to third in an attempt to catch Moore, Drummond let the ball get away from him and Moore scored, Martin drawing up at third, only to add another run to Clemson's score a minute later when he stole home.
